## Questions

Is this an HNI database?

It is the business version of one. Starleads doesn't sell personal HNI lists (people picked out by their wealth, usually from bank or demat-account data). This list gives you the owners and contacts of high-value businesses (jewellers, builders and developers, hospitals, resorts and luxury hotels, new car dealers, petrol pumps, cold storages, private schools and industrial companies), which is where most high-net-worth business people are.

**How many high-value business owners are there in Ahmedabad?**

This list has 3,268 owners and key contacts of high-value businesses (jewellers, builders, hospitals, resorts, car dealers, petrol pumps, industrial companies and more) in Ahmedabad, Gujarat with contact details, all of them with a mobile number. It's the count in Starleads' data, not an official census.

**How can I get the contact numbers of high-value business owners in Ahmedabad?**

Download this list in Excel: 3,268 contacts, all with a mobile number and 93% with an email address. Check 60 real contacts free first, then pay ₹499 (90% off) by UPI or bank transfer.

**Which city in India has the most high-value business owners?**

In Starleads' data: Mumbai (24,709), Bengaluru (10,662), Pune (6,667). Ahmedabad is 5th of 34 cities. These are the counts of contacts in each list, not an official census.

**Is there a free high-value business owners list PDF for Ahmedabad?**

Yes. The free sample PDF has 60 contacts from this list, with phone numbers and emails partly masked. The full list comes as an Excel workbook.
