Questions

Is this an HNI database?

It is the business version of one. Starleads doesn't sell personal HNI lists (people picked out by their wealth, usually from bank or demat-account data). This list gives you the owners and contacts of high-value businesses (jewellers, builders and developers, hospitals, resorts and luxury hotels, new car dealers, petrol pumps, cold storages, private schools and industrial companies), which is where most high-net-worth business people are.

How many high-value business owners are there in Bihar?

This list has 550 owners and key contacts of high-value businesses (jewellers, builders, hospitals, resorts, car dealers, petrol pumps, industrial companies and more) in Bihar with contact details, all of them with a mobile number. It's the count in Starleads' data, not an official census.

How can I get the contact numbers of high-value business owners in Bihar?
Download this list in Excel: 550 contacts, all with a mobile number and 97% with an email address. Check 60 real contacts free first, then pay ₹499 (90% off) by UPI or bank transfer.

Which cities in Bihar have the most high-value business owners?
